However, these qualifications will have to be relevant to the qualifying degree of the candidate concerned.

The candidate must have a valid GATE / NET as applicable (F. No. 17-2/2014-TS.I dated 2nd March, 2015).

Category B, C, D and E: As per the terms and conditions of the funding agency.

Other categories: Not mandatory

*All the degrees will be from an institute / university recognized by UGC/AICTE/MHRD.
The preceding qualifying degrees of the candidates required for admission shall be decided by the respective DRPC.

2.2.2. Scholars under categories C and F must submit a no-objection certificate from the Institute / PI of the project respectively during admission. They shall work for the PhD program without affecting their normal duties.

2.2.3. Research scholars of categories G, H, I and J shall submit a Sponsorship / No-objection certificate, as applicable, from the employer during admission. In case the candidate joins a new organization, submission of a fresh NOC obtained from them is mandatory.
2.2.4. Deleted.

2.2.5. Mere possession of required degree and a good academic record does not guarantee admission to a candidate for the Ph.D. program. Apart from academic record, the DRPC will take into consideration the research aptitude, ability to work in a team, subject interest, availability of supervisors, facilities in the department and the research focus of the department while selecting candidates to the Ph.D. program through a pre-defined process.

2.3. Residential Requirement:

2.3.1. Normally all full-time candidates admitted to the PhD program will be required to stay in the Institute till they complete all assigned work and submit thesis. However, for full-time candidates sponsored from Government / Semi-government / major industry with established R&D facilities, the DRPC may recommend to reduce the minimum residential requirement to one year or higher (for completing the course work and formulating the research problem).

2.3.2. If a full-time sponsored candidate intends to carry out a major part of his research work in his place of employment, s/he must convince the DRPC at the time of selection that adequate research facilities and research tradition exist in his organisation. While taking the decision DRPC will examine all the documents presented to it regarding adequacy of the R&D facilities available in the sponsoring organisation. These documents have to be furnished by the candidate during the time of interview. In general major Central Govt. (CSIR, DRDO, DAE, ISRO, CDRC etc.) labs, research organisations, industries (public or private) with established R&D facilities are taken as organisations with adequate facilities. Regarding recognition of other organisations the DRPC has to make a recommendation on the basis of the material available to it to the Director through Dean (Academic) for approval. In every case, the Senate will decide the residential requirement.

2.3.3 The part-time candidates of categories H, I and J are mandated to have contact with the supervisor(s) for discussion and research in the Institute for at least 90 days a year in a single/multiple visits.

2.4. Admission procedure:

2.4.1. Admission of scholars under categories A and B shall be made once in each semester as per a pre-decided schedule indicating the total number of seats available. Dean (Academic) will publish the admission notice on the Institute website. The departments will screen the applications based on pre-defined criteria sent by the Academic Section and prepare the shortlist. They will conduct admission tests (for category A), followed by shortlisting based on pre-defined criteria, if needed, and viva voce, and select the candidates on the basis of overall academic performance, written test and viva voce. The department will send the list of selected candidates to the office of the Dean (Academic). One expert from other department, selected from a panel of experts nominated by Director, will act as an observer in the viva voce.

2.4.2. Admission of scholars under categories C shall be made once in each semester along with the scholars under categories A and B. The candidate shall submit the application through the Dean (R&C) in the prescribed format of Sponsored Research and Consultancy Cell (SRCC) on recommendation of concerned PI and Head of the Department. The selection procedure will be the same as category A.
2.4.3. Admission under categories F, G, H, I and J shall be made once in every academic year, during Odd Semester only.

2.4.3.1. The admission under categories F, H and J shall be made directly subject to fulfilment of eligibility criteria fixed by the respective departments, and submission of requisite documents and no-objection/ sponsorship certificate. The admission shall be subject to the availability of suitable supervisor(s) and the endorsement by the department.

2.4.3.2 Admission of candidates under categories G and I shall be made against the admission notice on the Institute website. The departments will conduct admission tests and viva voce, select the candidates on the basis of overall academic performance, written test and viva voce and send the list of selected candidates to the office of the Dean (Academic). Dean (Academic) shall publish the selection list on the Institute website. The candidates need to produce a sponsorship / No objection certificate in the prescribed format of the Institute during the admission test. For the category I, a Board of external examiners shall be constituted by the Chairman, Senate for the selection process.

2.4.4. Admission of research scholar from foreign institution/organization shall be made as per laid down terms and conditions in MoU with respective institute / organization during the odd Semester only.

2.4.5. Applications of candidates shall be received by the office of Dean (Academic) and forwarded to the departments for screening. Dean (Academic) shall publish the short-list of the candidates screened by the departments on the Institute website along with the date, time and venue of the admission test and viva voce.

2.4.6. Dean (Academic) shall publish the selection list on the Institute website. All communication related to the admission procedure shall be made through the Institute website www.nitdgp.ac.in only. Regular reservation policy of the Government of India shall apply.

2.4.7. All selected candidates will fill in the admission form (vide Annexure-I) and submit an undertaking that s/he would abide by all rules and regulations and codes of conduct of the Institute.

2.4.8. Respective departments shall be responsible for the selection of research scholars.

2.5. Withdrawal from Residency

2.5.1. A sponsored student, pursuing PhD by staying on campus, can become non-resident by taking withdrawal from the program. She/he may return to his place of work on completion of residential requirement, provided that such a scenario was mentioned in his application for admission and the student has a co-supervisor from his place of employment. The minimum period of work will be extended by one year, except when the student is employed in a superior R&D organization and is engaged in full time research on the same topic as his PhD works. The Deputy Registrar (Academic) will issue a withdrawal order.

2.5.2. In case of students, who secure a new job or otherwise wish to move outside the institute and end their doctoral program prematurely, need to refund any scholarship received.
3.0. Supervisors

3.1. The assignment of Ph.D. students to supervisor(s) by DRPC and constitution of Doctoral Scrutiny Committee (DSC) following enrolment/admission of the Ph.D. students will be made within a period of fifteen days from the date of enrolment. Chairperson (DRPC), in consultation with the supervisor/co-supervisor(s), shall constitute the DSC (vide Annexure-II). The supervisor/co-supervisor(s) (s) shall finalize the broad (tentative) title of the research topic of a selected candidate after mutual discussion.

3.2. All supervisors/co-supervisors of PhD program shall be at least in the rank of Assistant Professor or equivalent having a PhD degree. If a person from outside the Institute, not satisfying these criteria, is proposed to be a co-supervisor, the matter shall be referred to the Senate for decision.

3.3. The maximum number of research scholars that one supervisor can supervise, at any point of time, is 6. The number of candidates who have already submitted the thesis will not be considered for the purpose.

3.4. There can be one supervisor and maximum one co-supervisor for a research scholar from the Institute, with maximum one additional co-supervisor from outside.

3.5 The supervisor/co-supervisor must be a regular faculty member of the Institute belonging to the department in which the research scholar will be registered for doctoral studies.

3.6. The co-supervisor(s) may be from the same department of the Institute or other departments / outside.

3.6.1. A person from abroad satisfying the qualification criteria may become a co-supervisor. NIT Durgapur will have, however, no financial responsibility, whatsoever, in the research visits, if any, required for the collaborative research.

3.6.2. Deleted.

3.6.3. Co-supervisors from other institutions/ organizations shall submit curriculum vitae, a consent letter and a no-objection certificate from the employer during formation of DSC, if they do not have MoU with NIT Durgapur.

3.7. Any change in supervisor/co-supervisor shall have to be recommended by the DSC and forwarded to the office of Dean (Academic) for approval of Senate.

3.7.1. Change of supervisor/co-supervisor under exceptional circumstances shall be permitted on the recommendation of the DSC, subject to the consent of the research scholar, the present supervisor/co-supervisor and the proposed supervisor/co-supervisor. However, the candidate shall not be permitted to present synopsis seminar within one year from the date of change of supervisor/co-supervisor.

3.7.2. Addition of co-supervisor shall be permitted on the recommendation of the DSC, subject to the consent of the research scholar. However, the candidate shall not be permitted to present synopsis seminar within one year from the date of addition of supervisor/co-supervisor.
3.8. When a supervisor leaves the Institute permanently or temporarily for a period exceeding 6 months, the DSC shall appoint a new supervisor for the research scholar before his/her departure.

3.9. Deleted.

3.10. The DSC may consider continuation of the original supervisor on his/her return to the Institute as one of the supervisors.

3.11. A supervisor/co-supervisor after superannuation shall continue to act as the co-supervisor. However, if the research scholar has no supervisor from the department in which s/he is registered, one faculty member of the same department shall be made the supervisor after consultation with the superannuating supervisor and the research scholar. In case of the candidate already presented synopsis seminar successfully, no additional supervisor shall be necessary.

4.0. Semester Registration

4.1. A student enrolled in the PhD program will be required to register every semester along with endorsement of satisfactory progress by the DSC (vide Annexure-III) and by paying tuition fees and other Institute dues the Semester registration is different from Academic registration. A research scholar shall appear before the DSC at the end of each semester to make a presentation of the progress of his/her work for evaluation and further guidance. The DSC shall submit the approved progress report along with the registration form to the Academic Section.

4.2. Sponsored students who have been sanctioned withdrawal also need to do semester registration. They may, however, be permitted to send registration form by post to their supervisor, who will present them to the Academic Section through the HOD.

4.3. Failure to do semester registration within the stipulated dates as per Academic Calendar will result in termination of studentship, which in a very special case can be restored by the Senate on consideration of all circumstances, payment of additional fines and extension of thesis submission date.

4.4. It shall be the responsibility of the student to bring any deviation in his status in matters of course work, registration, withdrawal etc. to the attention of Dean (Academic) at the time of semester registration, if s/he has not done so earlier.

4.5. A student may be exempted from semester registration by Dean (Academic) / Director if s/he submits thesis within 30 days of scheduled semester registration. However, the student will lose his fellowship (if any) during the said period. If s/he fails to submit the thesis within 30 days, s/he must do the semester registration before the thesis is accepted for evaluation.

5.0. Registration

5.1. Every student enrolled in the Ph.D. program is given provisional registration soon after his enrolment. The provisional registration defines:

(a) The broad area of research and
(b) The course work to be carried out by the student.
The student continues to work for close to a year before his research plan is properly formulated.

5.2 A Ph.D. student, provisionally registered, will be formally registered for the degree of Ph.D. on completion of following steps:

(a) The candidate has successfully completed all assigned course work,
(b) Worked out a road map of the program and submitted a formal work plan to the DSC and
(c) Delivered an open seminar to the satisfaction of the DSC.

5.3. Subsequent to obtaining a favourable recommendation from the DSC, the PhD registration fee, as applicable at the time, shall be paid by the candidate. The date when the candidate deposits the PhD registration fee shall be treated as the date of registration.

5.4. The registration of PhD candidates may be approved by Chairperson, Senate and be ratified by the Senate in its subsequent meeting.

5.5. Candidates should normally present the registration seminar not later than five semesters from the date of enrolment, failing which the registration shall be cancelled.

5.6. Any change in the title of PhD work shall have to be approved by the DSC not later than three months before the date of submission of the final synopsis of the PhD thesis. The same shall be notified to the office of Dean (Academic).

6.0 Course Work

6.1. Course work is compulsory for all students enrolled for Ph.D. program including those with Master Degree in the same discipline.

6.2. All Ph.D. scholars are required to clear a course in Research Methodology and a practice course on “English for Technical Writing” (sessional course) offered by Dept. of Humanities & Social Sciences. The DSC will prescribe additional postgraduate level courses. A fresh M. Tech./equivalent student (degree awarded within the past five years) shall be assigned 8 credits of course work in addition to Research Methodology and English for Technical Writing. Candidates with B. Tech/M. Sc/ MA/ MCA/ older M. Tech etc. shall be assigned 16 credit courses excluding Research Methodology and English for Technical Writing. While this is a general guideline, the DSC may decide on higher credits requirement. Online courses like MOOCS/NPTEL, etc. may be utilised for the purpose of credit requirement satisfaction, as approved by the DSC.

6.3. Deleted

6.4. All candidates admitted to the Ph.D. programs shall be required to complete the coursework prescribed by the DSC within the first four semesters. Any extension will require the approval of the Senate.

6.5. The research scholars will take courses based on the recommendation of the supervisor/co-supervisor(s) and approved by the DSC. The list of courses to be taken by a research scholar during a particular semester shall be endorsed by the DSC and informed to the PG & Research Cell (Academic Section) within seven days from the start of the semester.
or within seven days from the date of enrolment. In case a course is taken from another department, it is to be endorsed by the Head of the concerned department.

6.6. Ph.D. students enrolled in courses are subject to the same regulations as applicable to other students in the courses with regard to attendance, discipline, assessment and grading.

6.7. The concerned teachers shall forward the grades of the research scholar at the end of a semester to the Associate Dean (A&E) for publication of results.

6.8. They must pass each of these courses with at least C grade in a 7-point scale / equivalent. A student shall get maximum three chances to pass a course assigned by the DSC.

7.0. Submission of Thesis

7.1. The research scholars of all categories shall normally submit their PhD thesis within a period of six years from the date of enrolment in the PhD program. However, for satisfactory reasons, the period may be extended by one more year. The women candidates and Persons with Disability (more than 40% disability) shall be allowed a relaxation of two years in the maximum duration. However, the fellowship tenure shall be applicable as per the guidelines of the MHRD/ sponsoring agency.

The extension shall have to be recommended by the DSC. In case, no extension for registration is applied for, the registration shall automatically stand terminated at the end of the above-stipulated period.

7.2. A research scholar shall submit his/her PhD thesis not earlier than three years from the date of enrolment in the PhD program.

7.3. Prior to submission, when the thesis is nearly ready and can comfortably be submitted within three months the candidate will submit the synopsis of the thesis [typically 10 pages including tables, graphs and references] and present a seminar to an open audience, which will include members of DSC. Soft and hard copies of the thesis should be submitted to the members of the DSC at least one week before the date of the seminar.

7.4. The DSC shall assess the work through a pre-synopsis submission seminar in presence of all supervisor/co-supervisor(s). It is mandatory that all the supervisor/co-supervisor(s) are present during the seminar. The DSC should confirm that the student has completed the required number of courses. The student shall respond to the suggestions of every DSC member. If and when the DSC is satisfied with the extent of work done and the quality of the thesis the candidate will be allowed to submit the thesis. The DSC shall forward one hard copy, signed by the student and the supervisor/co-supervisor, and a soft copy of the synopsis of the PhD thesis along with recommendations (vide Annexure-IV) to the office of Dean (Academic).

7.5. The scholar must have at least two papers published / accepted for publication based on his/her doctoral research in a SCI/SSCI/AHCI / Scopus/ Web of Science journal and preferably two paper presentations in conferences/seminars before the submission of the dissertation/thesis for adjudication, and produce evidence for the same in the form of presentation certificates and/or reprints.
7.6. A general format and guidelines (Annexure-V) prepared from the Academic Section of NIT Durgapur shall be used for writing PhD thesis.

7.7. Plagiarism check shall be made for PhD thesis to satisfy maximum permissible match of 20% excluding publications of the research scholar and corresponding supervisor/co-supervisor(s). The plagiarism check certificate should be included in the thesis.

7.8. The thesis examination fee, as applicable at the time, shall be deposited, subject to completion of all formalities.

7.9. The research scholar shall submit two copies of the PhD thesis with soft cover for the external examiners to the office of the Dean (Academic) within three months from the date of successful pre-synopsis seminar. The soft copy of the thesis shall be emailed to Dean (Academic). After successful defense of the thesis and incorporation of revision as per the comments of the examiners, the candidate shall submit one hardbound copy of the final version and a soft copy of the PhD thesis to the office of Dean (Academic).

7.10. Electronic copies of the theses should be posted on Institute web site for wide distribution.

8.0. Examination of PhD Thesis [applicable to all students]

8.1. The DSC shall prepare and submit two panels of five external examiners each in the area of the submitted research work each from India and abroad, to Dean (Academic) in hard and soft copies, for the appointment as external examiners of the thesis. The list must include the name, designation, affiliation, full postal address, telephone number, email IDs and webpage address of the examiners. The examiners should be selected by the DSC from amongst the eminent faculty members or experts, Professors / Associate Professors/ Retired Professors / Emeritus Professors, and researchers with Ph.D. in institutes / universities / research laboratories / industries of repute. The area of his/her specialization is to be mentioned explicitly along with a hyperlink to his/her web page. In the list of examiners from abroad, there shall be at least three experts not of Indian origin. There should not be any conflict of interest in the selection of the panel of examiners.

It shall also include the name and registration number of the research scholar, thesis title, the department registered and the name of the supervisor/co-supervisor(s) etc. (vide Annexure-VI). Director as the Chairperson of the Senate shall select one external examiner each from India and abroad from the recommended panel.

8.2. It is expected that the DSC submits the panels of examiners immediately after the synopsis seminar to the Dean (Academic), so that the consent of examiners is obtained before submission of the thesis.

8.3. Dean (Academic) will arrange to dispatch the synopsis to the external examiners by email. On receipt of their acceptance to become the external examiner of the PhD thesis, the Academic Section will arrange to dispatch the thesis to them by post. The soft copy of the PhD thesis shall also be sent through email. Normally, the examiner will be required to submit the evaluation report within six weeks.

8.4. Deleted.
8.5. When a thesis is unanimously accepted by the board of examiners for the award of the PhD degree (vide Annexure-VII), the scholar shall be required to defend the work in an open seminar followed by a viva-voce conducted in presence of the external examiner from India, DSC members and other interested persons (vide Annexure-VIII). It is not mandatory for the co-supervisors from abroad to be present during the viva voce. In case the Indian external examiner is not able to attend the seminar and viva-voce, Director shall appoint an alternate examiner for the purpose from the existing panel of external examiners from India. The defence of the thesis shall be held after at least three weeks from the date of dispatch of the thesis.

8.6. If an external examiner does not respond within three weeks from the date of dispatch of the synopsis or within three months from the date of dispatch of the thesis, Director may select an alternate name from the recommended panel of Experts as the external examiner. The examiners may be reminded of sending the report of the thesis after two months of dispatch of the thesis.

The examiners may send the report on the thesis by email and / or post with a “confidential” label on the mail.

8.7. If a thesis in the present form is not found to be acceptable by any one of the external examiners for award of the PhD degree and is likely to be accepted after revision in line with the modifications suggested by the external examiners in their report, the research scholar must re-submit the thesis incorporating the suggested amendments within three months from the date of the earlier decision of the DSC.

8.8. If a thesis is recommended by one external examiner for the award of the PhD degree but is rejected by the other external examiner, the thesis may be sent to another examiner. The DAC, if needed, may submit a fresh panel of external examiners. The research scholar may submit another copy of the thesis after depositing an additional thesis examination fee, as applicable at the time.

8.9. If a thesis is rejected by both the external examiners, or if it recommended by one examiner but is rejected by two examiners consecutively, the student shall submit a fresh thesis after a period of one year from the date of the decision. The thesis examination fee of as applicable at the time, shall be deposited again before the submission of the thesis. The DAC will recommend a fresh panel of external examiners in the area of the submitted research work each from India and abroad for appointment as external examiners of the thesis.

9.0. Defense of Ph.D. work:

9.1. The Dean (Academic) shall invite the examiners, on approval of Chairman, Senate.

9.2. Open Ph.D. seminars and viva will be conducted at respective departments in presence of DSC members.

9.3. Recommendations of the external examiner and DSC will be forwarded to the Dean (Academic) for its onward submission to the Chairman, Senate.

10.0. Award of Degree
10.1. On the recommendation of the Doctoral Scrutiny Committee, the Senate or the Chairperson, Senate (when the Senate is not sitting early) shall decide whether the candidate should be awarded the degree of Doctor of Philosophy. If the Chairperson, Senate has approved the award of degree, the award needs to be confirmed by the Senate.

10.2. Deleted

10.3. A provisional degree certificate will be issued to the scholar on successful defense of the thesis and approval of Chairperson, Senate. The final degree certificate will be issued in the convocation or by any other mode approved by the Senate. The date of the defense examination shall be the effective date of award of degree and will be mentioned in the provisional certificate and degree certificate.

10.4. Any deliberate false statement or plagiarized text will lead to summary disqualification, in addition to other punitive measures commensurate with the offence. Degrees, even after being awarded, may be revoked if gross violation of academic ethics is established.

11.0. Fellowship [applicable to all students]

10.1. Institute doctoral fellowships shall be governed by the rules of MHRD. When the number of Institute fellowships is limited; they will be distributed among different departments by the Director on recommendation of Dean (Academic). Generally, the number of fellowships will be proportional to the faculty strength, but changes can be made to ensure that the positions are filled to the extent possible.

11.2. In case of students awarded a scholarship by an external agency or from a research project operating in the Institute; the provisions specified by the sponsor shall govern the rules.

11.3. Deleted

11.4. Deleted

11.5. Deleted.

11.6 The scholarship for the category A students shall normally be given initially for a period of three years, which can be renewed on year-to-year basis on satisfactory performance up to a maximum period of 5 years (including project fellowship, if any) / tenure of the research scheme. The scholarship shall, however, automatically be terminated after the date of PhD thesis defence or 5 years from the date of enrolment whichever is earlier.

11.7. Enhancement in rate of fellowship, after two years of enrolment, may be considered on successful assessment by the DSC and submission of report (vide Annexure-IX) to the Dean (Academic) towards satisfactory progress in the research activity. The student will submit a summary of the progress of the work to the Chairperson, DSC through the supervisor/co-supervisor(s) and deliver an open seminar. In case the recommendation of the DSC is not favourable, the candidate may deliver a fresh seminar after six months from the previous one for consideration of enhancement in scholarship. Enhancement of scholarship shall be effective from the date of successful enhancement seminar.

11.8. Deleted.
11.9. If a student with Institute fellowship fails to complete registration formalities within
24 months of enrolment, payment of fellowship will be suspended (with permanent loss)
till registration formalities are over.

11.10. All research scholars with fellowship (Institute sponsored / Externally funded, including
UGC/CSIR/DST, etc.) will be required to assist the Department in teaching activity (sessional,
laboratory etc.) and other academic activity for up to 8 hours per week; the quantum of such
contribution being decided by the administration from time to time.

11.11. Change of fellowship, other than project fellowship (due to completion of project
duration), shall not be permitted.

12.0. Leave rules [applicable to all students]

12.1. A research student, except when granted withdrawal by the Institute must attend to his
work on a whole time basis. The departments will maintain attendance record of the student. The
DSC will examine the attendance record of students, and if it is found unsatisfactory, will
recommend extension of minimum duration for submission of thesis, deregistration or
termination of studentship, as it thinks fit.

12.2. Research scholars other than Institute employee are eligible to enjoy 30 days leave as
and when necessary in a calendar year.

12.2.1. Request for the sanction of any type of leave, formal application should be addressed
to the HOD which should usually be recommended and forwarded by the supervisor before
availing any leave excepting exigencies.

12.2.2. The HOD and his/her office would take care of the leave applications and approvals.
The same office would also keep the records of the leave as usual and submits the attendance
report to the appropriate authority for scholarships or other grants. The HOD may refer
appropriate cases to the Dean (Academic) to issue leave certificate, as and when required, and
to settle and dispute or cases of exigency.

12.2.3. Leaves of research scholars under CSIR/UGC/DST sponsored research schemes and
other categories will be governed by the rules of the bodies, which provide financial support.

12.2.4. In case of medical leave, the Institute Medical Officer must endorse the medical
certificate.

12.2.5. Maternity and child care leave are applicable to female student only. A female student
is entitled to avail maternity leave for a maximum of 180 days and childcare leave for a
maximum of 60 days once during the tenure of their studentship. If availed, the loss of days
due to these leaves may be augmented by extending their registration period, by the same
number of days, on the basis of written prayer from the scholars to the Dean (Academic) with
due recommendation of DSC.

12.2.6. There will be no loss of scholarship/fellowship for the female students availing the
maternity and childcare leave but the total time period of scholarship will remain same and will
not be extended.
12.2.7. In all cases, an application for medical/maternity leave must be accompanied by all relevant medical papers - prescriptions, admission and discharge reports, diagnostic reports, medicine purchase slips etc.

12.2.8. All leave application must be filed within 3(three) working days after joining.

12.2.9. Absence without sanctioned leave will entail loss of financial assistantship for the period of absence and may result in the termination of the students’ program.

12.3. There shall be no summer or winter vacation for research students.

12.4. For part of a year, the entitlement will be on pro-rata basis.

12.5. In matter of course work, leave rules applicable to other program will also be applicable to PhD students.

13.0. Miscellaneous

13.1. All seminars and viva voce for the PhD program shall be open house, with a notice normally circulated to all departments of the Institute at least seven days in advance.

13.2. All seminars; pre-registration, enhancement and pre-synopsis seminars must be conducted within a maximum period of one month from the date of application by the candidate, subject to concurrence of the DSC.

13.3. If the DSC finds the performance of the research scholar unsatisfactory, it will give at least two warnings (in writing) to the candidate. If there is no improvement in her/his performance even after the warnings, the DSC may recommend termination of the PhD program for the scholar through DRPC for approval of the Senate.

13.4. The Institute may revise the fee structure from time to time.

13.5. The list of documents, which need to be submitted at various stages of Ph.D. program starting from the time of admission are listed in Annexure-X.

13.6. External co-supervisors will submit a no objection certificate (vide Annexure-XI) from their organization and willingness certificate (vide Annexure-XII) from their end during formation of DSC or at a time when appropriate.

13.7 The Institute shall submit the soft copy of the thesis to INFLIBNET after 2 years from the date of the PhD thesis defence.

13.8 The Institute will issue a declaration to the effect that the degree has been awarded in accordance with the provisions of UGC regulations, 2016, if sought by a degree awardee.

14.0. Termination of Studentship [applicable to all students]

The studentship of a Ph.D. scholar may be terminated by the Senate on exceptional grounds. They are:
• Recommendation of Institute’s Disciplinary Committee.
• Failure to do semester registration.
• Failure to complete registration within two years from the date of enrolment.
• Poor progress as noted by DSC. Such a decision may be implemented only after approval of the Senate.
• Prolonged absence (exceeding two months) from the Institute without prior intimation.

15.0. Transition issues

The revised regulation shall come into effect from the date of the 51st Senate meeting. Students enrolled prior to this date shall be generally covered by the regulation in vogue at the time of their enrolment. However, some of the clauses in the present regulation shall be applicable to them where these are specifically mentioned. The final decision on each specific issue will be taken by the Senate (or Chairman Senate on its behalf), on case-to-case basis.

16.0. Exceptions

Notwithstanding anything stated in the rules, the Senate can make special provisions and exceptions depending on the merit of a case. Such cases shall not be cited as precedence in future occasions of similar nature, because two situations appearing similar may not be identical.

In emergency situations, the Director in capacity of the Chairman Senate, can exercise powers of the Senate and discharge the functions of the Senate. Such decisions must be reported to the Senate at its next meeting.
