WALK-IN INTERVIEW

Date: February 10, 2020

Advt. No.: NITD/COE/Recruit/03

Applications are invited from eligible Indian citizens for two Technical Assistants to work for the Centre of Excellence in Advanced Materials purely on a temporary basis. The selected candidate is expected to operate and maintain various scientific equipments of the centre which currently include Scanning electron microscope, X-ray diffractometer, Atomic Force Microscope, BET Surface analyser, UV-vis and FTIR absorption spectrophotometer, etc.

Interested candidates are advised to report to the office of the Physics Department by 10:00 am on **25th February, 2020** for a walk-in-interview before a selection committee. Depending on the number of candidates reporting, a written test may also be arranged for shortlisting before the interview. Candidates should bring a copy of their up to date curriculum vitae and copies of academic and technical degrees/diplomas, experience, etc. and get these documents verified by our staff at the office of the Physics department from 9:30 am onwards.

Name of the post:	Technical Assistant (TA)
Date of commencement:	Immediate
Duration:	One year or project closure whichever is earlier
Date and place of Interview:	25th February, 2020, HOD's office, Physics Dept.
Salary:	Rs. 22,000/- per month (consolidated)
Name of the Employer:	National Institute of Technology Durgapur
Centre/department to work for:	Centre of Excellence in Advanced Materials

Eligibility criteria (Essential): B.E./B. Tech. or M.Sc.

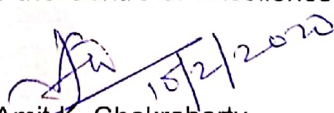

Desirable:

- Hands-on experience in any/some of the equipment
- Strong academic background throughout
- Good oral and written communication skill in English
- Ability to work in a team
- Willingness to learn new skills

Other Terms and Conditions:

1. The position is purely temporary, and performance will be evaluated every three months.
2. Canvassing in any form will disqualify the candidature.
3. No TA/DA is admissible to the candidate for attending the interview.
4. The selected candidate may have to work outside the normal working hours and normal working days without additional incentives.
5. The candidate may be required to perform any work related to the Centre of Excellence as assigned by the Centre-in-Charge.

Additional queries, if any, should be directed to:
